COMMITTEES PLAN FOR GOOD ROADS' DAY WORK

Meeting Held by Boomers for Special Observances May 26

TOWNSHIP WILL JOIN

Combined Effort Will be Made by Fallowfield, Charleroi and Speers People

Chairman of committees and others at a general meeting Monday night went over preliminary plans for the observance of Good Roads' Day on May 26, and made preparations for further work by the committees and another meeting to be held in the rooms of the Charleroi Business Men's Association on Wednesday night of this week. The Wednesday meeting will be a meeting for the general public.

Fallowfield township road supervisors and private citizens and Charleroi citizens will work together in the movement of roads in this vicinity. Speers people will also work in conjunction with Charleroi people.

James Young, Ellis Shpar and John Jacobs, the road supervisors from Fallowfield township were present at the meeting here Monday night. Chas. Speers of Speers borough was gotten in touch with by telephone and he said that the Speers' people were working on plans and would join generally in the movement.

It is the plan to improve practically all the roads leading into Charleroi. Among them is the hill road to Monongahela, the road known as the "Pike," and the Twilight road. Attention will be given the road between Charleroi and Speers to place it in passable shape, at least. This road will be one of the most difficult in the county to work. Speers people have been promised several car loads of slag by Superintendent A. G. Mitchell of the Monongahela division, Pennsylvania Railroad and slag will be secured by Charleroi people for use on the road between here and Speers.

James J. Hott, chairman of the Charleroi central committee presided at the meeting Monday night, with Kerfoot W. Daly as secretary. Every man present promised to work on the roads and to use his efforts to have others work.

Present plans are to the effect that workers on the various sections of road will be transported to the scene of their duties by automobiles. Lunch will be furnished at a designated spot by the lunch committee of which J. B. Tusing is the chairman.

One of the things that was agreed upon at the meeting Monday night was that ribbons will be secured to be printed appropriately and worn by those who will work for the Good Roads movement.

Definite plans for the systematizing of the road work will be laid on Wednesday night when the general meeting is held. The meeting is called for 7:30 o'clock, and Chairman James J. Hott and the committees join in urging the public to attend, stating that the good roads' question is one demanding their earnest consideration. Reports from other parts of the county were made on Monday night showing that a great degree of enthusiasm is being worked up in the citizens' Good Roads' Day.

Good Roads to be Theme

Ministers of Charleroi churches will be asked to speak on the good roads' question from their pulpits next Sunday. This plan was suggested at the meeting of good roads' committeemen on Monday evening and will be acted upon as a good move in the wide campaign being waged. Ministers will not be asked to treat any certain phase, but to speak of the good roads' question as they see it.

Monessen Physician Receives Benefit of Important Order of Court

A new turn was taken in the case of Dr. Martin E. Griffith, the Monessen physician who will be placed on trial next Monday on a charge of murder in connection with the death of Prof. W. R. Robinson, who died some months ago as a result of the injuries alleged to have been inflicted by Dr. Griffith. Monday in criminal court Attorney E. E. Robbins, who represents the physician, appeared before Judge L. W. Doty and asked for an order requiring District Attorney C. W. Eicher and Dr. Ingram of Pittsburgh to turn over to him the kidneys and other organs of the dead musician. An effort will be made to convince the jury that Prof. Robinson did not die as a result of the injuries inflicted by Dr. Griffith, but that his death was due to Bright's disease. District Eicher objected to turning over the exhibits asked for by the counsel for the defense, but despite his objections he was overruled and ordered to turn them over.

This is regarded a victory for the defense. Much interest is being displayed in the coming trial.

COLORED MAN SAID TO HAVE TRIED HANGING

John Robinson, a colored man formerly of North Charleroi cried when Monessen police arrested him on Monday for surety of the peace, on information made by his wife. When they placed him in a cell at the lockup it is said he attached his belt to the bottom of his bunk and placing it about his neck, tried to hang himself. He was found after he had become unconscious. This morning he was all right and was taken to jail at Greensburg.

PAYDAY AT MONESSEN RESULTS IN DISORDER

Payday resulted in some disorder at Monessen on Monday, so that on the one day \$164 in fines was gathered in by Burgess Arch. Dunlap. One of the instances of disorder was a fracas between Cecil Triplett and Henry Hill, during which the latter got knifed in the abdomen and Triplett got his face bruised.

Meeting of Directors.

A meeting of the directors of the Citizens Library Association will be held at the Library Hall Wednesday evening May 13 at 7:30 p. m.

CHURCH EFFICIENCY MEETING ARRANGED

To study the subject of "Church Efficiency" under numerous heads, the Washington district of the Pittsburgh conference of the Methodist Episcopal church will hold a conference here on May 23. The conference will be known as "Church Efficiency Conference." Good speakers will be here and delegates will come from Homestead to California from all along the Monongahela valley, and from inter-county places as far back as Bentleyville and Beallsville. Bishop Cranston of Washington, D. C., who has what is known as Episcopal supervision for the general conference will be one of the chief speakers. Dr. Fort, of New York city a field secretary and Dr. J. T. Miller, district superintendent will speak. Among the three chief matters that will be taken up under the general head of efficiency will be evangelism, methods of financing a church and social service. The first meeting will be held in the morning. Another will be held in the afternoon and the final one in the evening.

AUTOISTS TO WORK FOR NEW BRICK ROAD

On Thursday of this week the office of the county commissioners at Washington will be bombarded by Charleroi citizens and others who are movers for the thorough improvement of the road leading from the Fallowfield election horse back of Charleroi to the brick Monongahela road some distance this side of Monongahela. A number of automobile parties will leave Charleroi on Thursday morning at 10 o'clock. They will hurry to the county seat and approach the county commissioners. Then they will present facts and figures to the county commissioners in order to convince them that the road in question is in need of improvement. They will ask that the road be bricked. Already the grand jury has approved the improvement of the road. It is considered an important highway. If it is bricked, a continuous good road from Charleroi to Monongahela will be the result.

BENEFIT GAME IS GOOD ATTRACTION

Charleroi folk helped along the playground movement Monday afternoon and saw a good ball game in the bargain, to say nothing of getting a line on the club that is to represent Charleroi in the Pennsylvania-West Virginia league the coming season. What this sentence is all about is that over at the ball park at the time specified a benefit baseball game for the playgrounds was pulled off between the Charleroi Pawva league team and a rejuvenated Charleroi Independent team. Approximately 800 people witnessed the rehearsal. For the first time Manager Charles O'Day was able to get a line on his players, and he was pleased or displeased as the occasion demanded. The score at the end was 5 to 0 favor the league team. That doesn't make any noisy remarks, however; about the Charleroi Independents, enhanced by the ability of Bob Coulson, et al., not being in the game up to their ears.

John B. Schafer, president of the Charleroi Business Men's Association took tickets at the gate. Howard Wilson, the astute secretary of the same association sold the tickets that John took, and together they bossed the finances. How much was taken in can't be guessed for a day or too, but it was sufficient to repay those who made the effort. Manager Hank O'Day figured out a lineup that wasn't bad, and sent in a twirler for the first half of the game. Van Steenberg, late of Springfield, Mathers, Urben and Bob Coulson bossed the independent aggregation. They borrowed a battery from O'Day, starting off with Kelleway as pitcher and Wolfe as catcher. Up until the fourth inning nobody got within looking distance of a hit. Both Van Steenberg and Kelleway twirled good ball. In the fourth inning for the Independents and Coatsworth for the leaguers both managed to secure scratch singles. They were both winds that blew nobody good. Bane tapped the ball on the nose for a hit in the fifth and almost brought in the first run. Mathers banged the pellet to right field in the sixth inning and tried for two bases, which he failed to get on account of the wariness of one Jack Brassell, the intelligence of California Coatsworth and the hefty heaving of John C. Bane, of Fayette county.

All the fun happened in the seventh inning. McWilliams was given a base on balls by Kerr, and when he was caught at second a couple of seconds later, Shadle got his base on a fielder's choice. Bane nosed the pellet for the second time, the drive advancing Shadle. Then Madden smote one on the ear to the grass quite a distance away from Bob Coulson. It was a sure enough hit, and Shadle dug for the plate. Right here it is timely to mention that Bob Coulson played a couple of seasons in the National league. Such being the case, the renowned Robert gathered that ball in his loving grasp and with a short arm motion drilled it on a line to the plate. It landed there just a second ahead of Shadle and the umpire called Shadle out. Madden stole second base. Cardinal was given a free pass to first base, Hogg stood at the home plate and waited for a walk. The result was that Pitcher Kerr gently forced a run across the plate by passing Hogg. Schafer and Coatsworth landed on the ball for two doubles and they meant the rest of the total of five scores tallied during the inning.

Real baseball was played by both the league and the Charleroi Independent clubs. Pitchers showed up well and every man in the game showed good form. Each of the infielders played well. Albert, Not P. Everett. Albert Everett and not P. Everett is the father of Roiden Everett the lad hurt in an automobile accident on Saturday night.

Schaeffer, superintendent of public instruction in Pennsylvania and Dr. S. C. Schmuk McDowell of Pittsburgh will again probable that several others of note will also be secured. Prof. R. J. McWowell of Pittsburgh will again have charge of the music.

The entertainment course for the evening promises to eclipse all former programs and is as follows; Monday December 30, The Music Maker; Tuesday December 1, The Barnard Orchestra; Wednesday December 2, Dr. Edward Amherst Ott and Thursday December 3, John Kendrick Bangs

SIX-REEL FEATURE AT LYRIC THEATRE

As a special attraction for today Manager Pennman of the Lyric theatre has programmed "Sapho," a six reel production with Florence Roberts in the title role. The picture is a sensational and interesting drama of every day life, with a lesson and warning against the two much matter-of-course way in which many take life. Throughout the picture interest is held from start to finish without a dull scene. It is food for thought along many lines.

Wallace-Hagenbeck Shows Get Here Early This Morning

PARADE A BIG FEATURE

Indication Given of Glories to Follow by Midday Procession

Today is circus day in Charleroi and one of the biggest tented aggregations in the world is here for two performances, afternoon and evening. This is the Hagenbeck-Wallace shows, which arrived quite early this morning and began the task of unloading and putting up tents at the ball park. Some of the tents are being located outside of the ball park, but the main tent is to be inside.

The show arrived from Uniontown where it showed yesterday. The work of unloading was watched by a large concourse of people and the happy juveniles, pleasantly excused from the most of his arduous school duties for the day, was no more interested spectators than scores of their elders.

The Hagenbeck-Wallace shows carry all their wonderful equipment and show stock on between 60 and 70 cars. They have everything. They carry all kinds of animals, and have the highest paid animal trainers to care for them.

The free street parade this morning was one of the leading features. The brightly painted wagons, glowing in their myriad of colors, combined with the stirring band music and jubilant tooting of the never-to-be-forgotten callopes gave to the occasion a festive air only to be associated with a circus. Circus tents for the two performances open one hour ahead of the time for the circus to begin. The Hagenbeck-Wallace shows have appeared before in Charleroi and are popular here so big crowds are anticipated.

A HEALTHY INDICATION.

In 1904 the number of students at-
tending the School of Agriculture in
connection with Pennsylvania State
College was 73, says the Washington
Observer. In 1906 the number was
111, in 1909 it was 497, and for the
year 1913-14 the enrollment is 1,125.
The increase would have been larger
if the school were equipped to ac-
commodate more pupils, as it would
have if our system of state charities
and appropriations was different.

The figures, so far in excess of the
proportion that might be expected
from increase in population, show very
plainly that scientific agriculture is
taking hold. The steady advance in
the cost of food opens up new oppor-
tunities for the farmer. He would be
dull and heedless indeed if he did not
see the advantage of getting away
from the old method of merely scratch-
ing the surface and turning to the new
method, based on the scientific rota-
tion of crops, nurturing of the soil,
and so on.

The number of abandoned or partly
cultivated farms even in this com-
monwealth of great population is as-
tonishing. The number of poorly cul-
tivated farms embraces the majority.
It is encouraging to note that the
State College is doing so much in the
way of scientific instruction, for it is
only by such methods that a more
rapid advance in the cost of food can
be prevented, even though we may not
expect a decline. Any additional ap-
propriation made by the legislature
will be public money well invested.

PICKED UP IN PASSING

The following has been handed in
by a reader of the Mail for the Pick-
ed up in Passing column:

The Girl We Want.
Backward, turn backward, oh time in
your flight,
Give us a girl whose skirts are not
tight;
Give us a girl whose charms, many or
few,
Are not exposed by too much peek-a-
boo;
Give us a girl, no matter what age,
Who won't use the street as a vaude-
ville stage;
Give us a girl not too sharply in view;
Dress her in skirts the sun can't shine
through.
The Girl's Reply.
Backward, turn backward, oh time in
your flight,
Give us a man who never gets tight.
Give us a man both honest and brave
Who still wears clothes when he goes
to shave.
Give us a man, no matter what age
Who won't make the world a vaude-

Sick Women Made Well

Reliable evidence is abundant that women
are constantly being restored to health by
Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually pub-
lishing in the newspapers—hundreds of them—are all genu-
ine, true and unsolicited expressions of heartfelt gratitude
for the freedom from suffering that has come to these
women solely through the use of Lydia E. Pinkham's
Vegetable Compound.

Money could not buy nor any kind of influence obtain
such recommendations; you may depend upon it that any
testimonial we publish is honest and true—if you have any
doubt of this write to the women whose true names and
addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

CAMDEN, N.J.—"I was sick for two years with nervous spells, and
my kidneys were affected. I had a doctor all the time and used a
galvanic battery, but nothing did me any good. I was not able to go
to bed, but spent my time on a couch or in a sleeping-chair, and soon
became almost a skeleton. Finally my doctor went away for his
health, and my husband heard of Lydia E. Pinkham's Vegetable
Compound and got me some. In two months I got relief and now I
am like a new woman and am at my usual weight. I recommend
your medicine to every one and so does my husband."—Mrs. TILLIE
WATERS, 1135 Knight St., Camden, N.J.

And this one from Mrs. Haddock:

UTICA, OKLA.—"I was weak and nervous, not able to do my work
and scarcely able to be on my feet. I had backache, headache, palpi-
tation of the heart, trouble with my bowels, and inflammation. Since
taking the Lydia E. Pinkham's Vegetable Compound I am better
than I have been for twenty years. I think it is a wonderful medi-
cine and I have recommended it to others."—Mrs. MARY ANN HAD-
DOCK, Utica, Oklahoma.

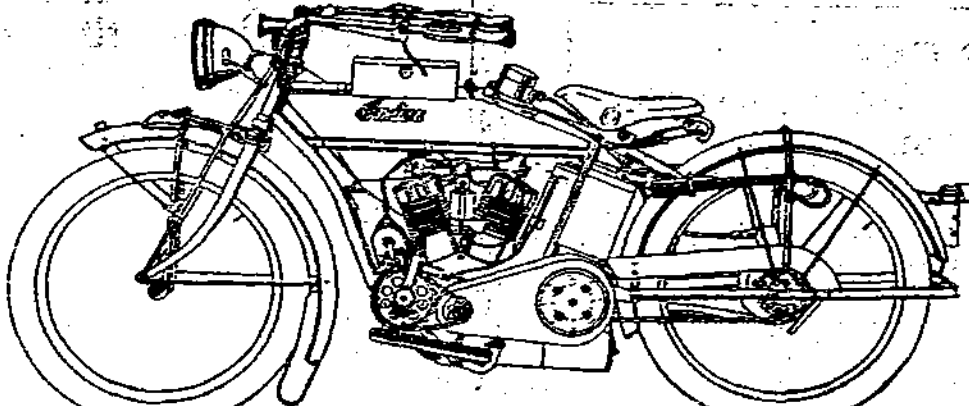

Now answer this question if you can. Why should a
woman continue to suffer without first giving Lydia E.
Pinkham's Vegetable Compound a trial? You know that
it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable
Compound has been the standard remedy for fe-
male ills. No one sick with woman's ailments
does justice to herself if she does not try this fa-
mous medicine made from roots and herbs, it
has restored so many suffering women to health.
Write to LYDIA E. PINKHAM MEDICINE CO.,
CORNELIUS, N.H., for advice.
Your letter will be read and answered
by a woman and held in strict confidence.

May Help You if Lungs Are Affected

Proper diet, fresh air and temperate
habits are beneficial to persons suffering
from Lung Trouble; but in a great many
instances reports show that the addition
of a medicine for this affection has ma-
terially helped in bringing about recovery.
For more than fifteen years Eckman's
Alternative, a medicine for Throat and
Lung Troubles, has accomplished good
results. Read what it did in this case—
"Gentlemen: In December, 1905, March,
1906, and September, 1906, I was taken
with hemorrhages of the lungs which con-
fined me several weeks each time to my
bed. My doctor advised me to go West.
In November I started for Denver,
Col. After my arrival I met Michael
Brody, who, upon learning of my condi-
tion, urged me to take Eckman's Alterna-
tive. I kept on taking the medicine and
improved fast. In March, 1910, I re-
turned home. I am entirely well, have
a good appetite and sleep well. When I
left Denver my weight was 120 pounds.
I now weigh 165, my normal weight. I
thank God and your Alternative for my
health."
(Abbreviated; more on request.)
Eckman's Alternative has been proven by
many years' test to be most efficacious
for severe Throat and Lung Affections,
Bronchitis, Bronchial Asthma, Stubborn
Colds and in unbuilding the system.
Contains no narcotics, poisons or habit-
forming drugs. Ask for booklet telling
of recorders, and write to Eckman
Laboratory, Philadelphia, Pa., for evi-
dence. For sale by all leading druggists.

A Chi-Namel Demonstration That is Different

YOU can ask the Demonstrator to show you
any Chi-Namel product you may be inter-
ested in, actually applied.

For instance—White Enamel, Porch Furniture
Enamel, Gold and Aluminum Paint, Floor Wax,
Furniture Polish, Colored Varnishes for staining
and varnishing with one application.

She will not merely show the package con-
taining these materials, but show it in the
brush, and applied before your eyes—in fact,
you can take the brush and apply it yourself.

You can see the actual colors—see how easy it
is to apply—how all brush marks disappear before
it hardens.

This will be a demonstration worth while for
any one who is responsible for the care and good
appearance of the interior woodwork and
furniture of a home.

By asking for a demonstration of any
particular Chi-Namel product you will not place
yourself under obligation to buy; this demon-
stration is to acquaint the public with the use and
economy of the home.

BASEBALL SPARKS

Schafer distinguished himself by a screaming two-bagger, as well as two nice putouts in middle field. He looks good as a lead-off batter.

Coatsworth played a nice game at first, and incidentally got more bases by his hitting than any other player. He beat out a bunt as one, and laced out a two sacker for his other hit.

Steenberg is a steady pitcher. The ease with which he struck out Coulson and handled the other batters was characteristic.

Hogg relieved Steenberg in the fifth so O'Day could get a line on him, and worked steadily and well.

Brassell played a heady game at shortstop, and at bat showed promise. He makes a noise like a permanent fixture with Charleroi.

The distinguishing thing about Mad-

den was the wicked way in which he swung his bat, indicating that he is some swatter.

McWilliams caught a good game, only to get his thumb nail torn just at the finish. At the bat "Stick" secured a single and one walk.

The way Cardinal shot them over from third to first base proved him the owner of a good whip.

At second Shadle plays something like Vandegrift, with Bill Phillips' Indianapolis Federals, and that much says considerable for "Shad."

When he reported Bane told O'Day he could tap the ball, so on Monday he gleaned two hits.

Bob Coulson and Cleve Mathers pulled off the honors in the outfield with brilliant catches.

One of the prettiest plays made was that of Billy Kuhn at shortstop in spearing a hot grounder with one hand and getting his man at first.

Walter Urban showed up in great style at second and covered an astonishing lot of territory.

Kelleway, Kerr and Phillips, all of Wreath's club did the twirling for the independents. They all looked good.

Miller only got one chance in right field and he accepted it neatly.

Motts at first base handled himself with real style, as did Protin at third.

From the Friends of William M. Brown

In presenting the name of William M. Brown to the Republican voters of the Twenty-fourth congressional district, his supporters have the greatest confidence in the merits of his candidacy.

Voters throughout the district may be unaware of the fact but fact it is, that Gov. Brown had no part in the beginning of his own candidacy. He is, first of all, a business man, and a highly successful one and has paid little or no attention to politics for the past ten years except to go to the polls and vote as should every good citizen.

He is more than a successful business man and a loyal Republican voter however. He is a patriotic citizen of the highest type and a gentleman of unimpeachable honor and integrity. Nothing could be more eloquent of Gov. Brown's fairmindedness and strict probity than the fact that a large number of the men now advocating his candidacy for congress have been his active political opponents within the party during the past. Almost without exception Gov. Brown has the support of Lawrence county Republicans. This support has come to him voluntarily for not until his arrival in New Castle last Friday has he participated in any conference relating to his candidacy.

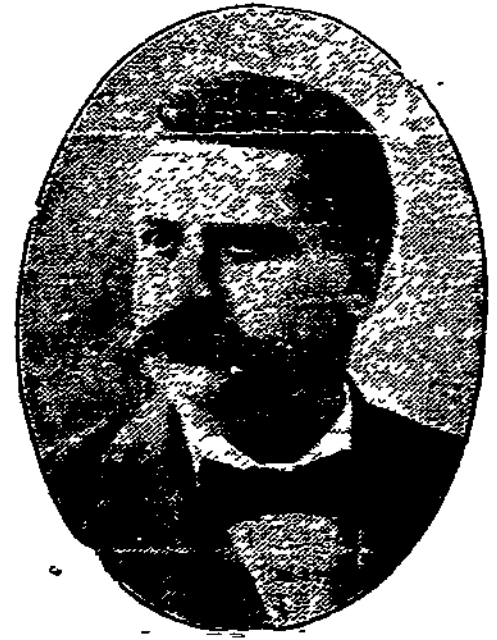

Gov. Brown was born in Greenville, Mercer county and received a liberal education in Iowa and Pennsylvania institutions. He is strictly a self-made man and his first success in business which he embraced rather than the law of which he has been trained, were successes in his home city of New Castle. Friends of a life-time made in those days are his friends still and are responsible for his candidacy.

After serving in the state senate Mr. Brown was nominated and elected lieutenant governor of the commonwealth of Pennsylvania in which capacity as well as a legislator he exhibited ability of the highest order. During his service at Harrisburg he commanded the highest respect and esteem of political opponents as well as members of his own party. It has frequently been said that William M. Brown was the ablest of those chosen during his terms of service by the voters of the commonwealth to administer its affairs.

Gov. Brown is a Republican of Republicans. He is a firm believer in the doctrine of adequate protection to American industries. He is, perhaps, the most loyal resident of his own city and this loyalty extends to the entire industrial district which has been built up into wealth and activity through the operation of Republican policies.

William M. Brown did not seek or is not seeking this nomination. The far-seeing business men, workmen and farmers of the entire district are fathering his candidacy. He is, perhaps, the most representative citizen of the Twenty-fourth district. If you are a Republican and a protectionist you should vote for him. No one but a tried and true Republican should represent this district in the next congress.

THE WILLIAM M. BROWN CAMPAIGN COMMITTEE

WILLIAM M. BROWN

Office of the Board of Commissioners
Public Grounds and Buildings of the Commonwealth of Pennsylvania, Harrisburg, Pa.
John E. Tener, Governor.
W. Powell, Auditor General.
B. E. Young, Treasurer.
Commissioners:
In compliance with the Constitution and the Laws of the Commonwealth of Pennsylvania, the Board of Commissioners of Public Grounds and Buildings invites sealed proposals for contracts for furnishing such supplies for the Executive, Legislative, and Judicial Departments, Boards and Commissions of the State Government as are specified below and below attached schedule, to be received by the Board of Commissioners on or before the first day of May, A. D. 1914, Schedule A, for furnishing all Paper and Envelopes; B, for furnishing Typewriters, Adding, Addressing and Duplicating Machines and supplies; C, for furnishing General Stationery, Mailboxes, Oak and Metallic Furniture and Office Supplies; D, for furnishing Engineering Instruments, Blotting and Paper and Cleaning Supplies; E, for furnishing all Books; F, for furnishing Brushes, Glassware, Brooms, Mops, Buckets, Tins and Cleaning Supplies; G, for furnishing all Hardware Supplies; H, for furnishing Supplies for the care of the Conservatories and Gardens; I, for furnishing Lumber, General Repairs, Removal of Dirt and Refuse; J, for furnishing Light, Heat and Power Supplies. As for various classifications of the schedule will be found in pamphlet form for the convenience of bidder. It is therefore desired that in requesting the proposal the bidders indicate those desired by using the letters set forth above.
A proposal for any contract shall be considered unless such proposal be accompanied by a certified check, to the order of the State Treasurer, in one-fourth the amount of the estimated cost of the contract, in such form and amount as may be prescribed by the Board of Public Grounds and Buildings. Such bond shall be conditioned for the faithful performance of the terms of the contract, if awarded, and shall have as surety two individual sureties, approved by a judge of the court of common pleas of the county in which the person or persons making such proposal may reside, or of the county wherein the contract is to be performed, or the principal place of business of the person, firm or corporation making such proposal, or one surety company authorized to act as surety in this Commonwealth. A bidder who shall have accompanied his proposal with a certified check, as aforesaid, and to whom a contract shall have been awarded, may, within ten days after such award, substitute for said check a bond, as herein prescribed; otherwise said check shall be retained in lieu of a bond. No bond to be less than Five Hundred (\$500) dollars conditioned for the faithful performance of the contract, and such bond and delivery to Superintendent of Public Grounds and Buildings on or before twelve (12) o'clock, meridian, Tuesday the twelfth day of May, A. D. 1914, at which time the proposals will be opened and published in the Reception Room of the Executive Department at Harrisburg, and the contracts awarded as soon thereafter as practicable.
AS PROVIDED BY THE ACT OF 1913, A BID MUST BE RENDERED IN DUPLICATE AND MARKED "DUPLICATE" and "ORIGINAL".
Blank Bonds and Schedules containing all necessary information may be obtained by communicating with Samuel B. Rambo, Superintendent, Public Grounds and Buildings, Harrisburg, Pa.
By order of the Board,
Samuel B. Rambo, Superintendent.
C. P. Rogers, Jr., Secretary.
